FIRST ANNUAL REPORT OF THE MASS. STATE RACING COMMISSION

December 2, 1935.

To the Honorable Senate and House of Representatives.

Pursuant to the provisions of Section 2, Chapter 374 of the Acts of 1934, the Massachusetts State Racing Commission respectfully submits its First Annual Report for the fiscal year ending November 30, 1935.

The State Racing Commission created by the aforesaid chapter was appointed by the Governor and confirmed by the Council in December, 1934.

CHARLES H. COLE, Boston	three year term	Chairman
WILLIAM H. ENSIGN, Westfield	two year term	Commissioner
CHARLES F. CONNORS, Brighton	one year term	Commissioner

The first meeting of the Commission was held at the State House on December 7, 1934.

The Commission appointed Charles F. Connors as Temporary Secretary.

Permanent headquarters were established at the Ford Building, Room 408, 15 Ashburton Place, Boston.

The Commission appointed Adnah Neyhart of Framingham as Secretary on December 14, 1934.

Charles H. Cole resigned as Commissioner on March 7, 1935, and on March 13, 1935, Commissioner Connors was appointed Chairman. Thomas F. Cassidy of Cheshire was appointed Commissioner to fill the unexpired term of Commissioner Cole on March 15, 1935, and approved by the Council.

The Commission joined the National Association of State Racing Commissioners on December 27, 1934, and attended the winter convention of this Association at Miami, Florida, from January 15 to 20, 1935.

The information obtained from the discussion each day of the meeting with the various Commissioners and the many notes taken were of great value to the members of the Commission in their preparation for carrying out the provisions of Chapter 128-A of the General Laws authorizing the licensing of horse and dog racing meetings under which the pari-mutuel system of betting is permitted.

There was a general discussion of uniform rules of racing which were adopted insofar as possible, when not in conflict with the laws of the states represented by the different commissions.

POWERS OF THE COMMISSION

Under Chapter 128-A of the General Laws, from which Chapter the Commission received its powers, we mention a few of the grants as follows:

1. To prescribe rules, regulations and conditions under which all horse or dog racing meetings shall be conducted.
2. To grant or revoke licenses.
3. To appoint representatives who shall have full and free access to the space and enclosures where wagering is conducted and to all other departments of the tracks.
4. Full and free access to the books and records of each licensee to ascertain whether or not the proper amount has been and is being paid to the Commission and supervision of such wagering.

RUNNING HORSE RACING MEETINGS

The Commission, being vested with this authority, obtained the rules of racing of The Jockey Club of New York, the Kentucky State Racing Commission, the Maryland Racing Commission and other states, as well as those of the New Hampshire State Racing Commission and the Rhode Island Division of Horse Racing. After careful study and consideration, the 1935 Rules of Horse Racing were drafted and adopted by the Commission.

The Commission, realizing the tremendous responsibility placed on them for the proper conduct of racing and the large sums of money which would be involved, took every precaution for the protection of the sport, the Commonwealth, the public, and the associations so licensed. With that end in view, they built an organization for proper and constant supervision of all departments and a complete system of reports of all racing activities, as well as the auditing of all accounts of wagering.

After due and careful consideration of the applications received from associations for running horse racing meetings, licenses were issued to the following:

<i>Associations</i>	<i>Track</i>	<i>Dates</i>
Eastern Horse Club, Inc. at Raceland, Framingham	½-mile	June 15
Eastern Horse Club, Inc. at The Country Club, Brookline	½-mile	June 17-18-19
Eastern Racing Association, Inc. at Suffolk Downs, East Boston	1-mile	June 29-August 10 both dates inclusive October 2- October 19 both dates inclusive
Agawam Racing & Breeders' Assoc., Inc. at Agawam Park, Agawam	1-mile	October 1-October 29 both dates inclusive

SUPERVISION

The Commission appointed:

Commission Steward to supervise the racing and make a report each day to the Commission office of all races, rulings and recommendations of the Stewards.

Commission Inspectors to supervise racing grounds, grandstand, clubhouse, jockey room, stables as well as pari-mutuel activities.

Commission Plater to inspect shoeing of the horses.

Commission Veterinarian to inspect the condition of the horses entered to race and to prevent the use of improper devices and the administration of drugs or stimulants or other improper actions for the purpose of affecting the speed or ability of horses in races. The Commission instructed him to take samples of the saliva of the winning horse of each race and any other horse or horses designated by the Stewards, which, in their opinion, warranted chemical analysis.

Commission Accountants to audit, at the track, the results of the pari-mutuel wagering on each race; to figure and check the pay-off on each race; to prepare a daily summary report showing total amount wagered on each race, pay-off to the public, surplus or breaks remaining, number of tickets of each denomination sold, etc., which was sworn to and filed daily by each association at the office of the Commission where it was again re-checked and re-audited by other Commission Accountants.

PREVENTION OF THE ADMINISTRATION OF DRUGS

The Commission, realizing the great importance of the necessity of adopting methods and means to prevent the use of improper devices and the administration of drugs or stimulants or other improper acts for the purpose of affecting the speed or ability of horses entered in races in which they are about to participate, caused to be constructed by the associations at the Suffolk Downs track and at the Agawam Park track a saliva stall apart from the stables for the use of the Veterinarian employed by the Commission to take samples of saliva from horses designated, and further, joined with the members of the New York State Racing Commission, the Maryland Racing Commission and the New Hampshire State Racing Commission for the use of a central laboratory in New York where samples of saliva were submitted for chemical analysis by the Massachusetts State Racing Commission, to a chemist engaged by this Commission who reported no positive tests.

25% to Cities and Towns distributed as per G. L. s. 15, c. 128-A	365,916.35
	<u>\$1,463,665.39</u>

Inasmuch as section 15 of Chapter 128-A of the General Laws provides for the distribution of 25% of the net receipts to the cities and towns of the Commonwealth on or before December 1st — it was necessary for the Commission to estimate the receipts and expenses in advance of the closing of the books. The estimate given to the State Treasurer of the net receipts was \$1,400,000.00. Hence, the amount to be distributed to cities and towns was \$350,000.00. The difference of \$15,916.35 will be distributed by the State Treasurer to the cities and towns as part of the 1936 apportionment.

The following is the amount received by each city and town from the net receipts of the State Racing Commission Fund:
